**REQUEST FOR EXTENSION OF VOLUNTARY SUSPENSION**

Otto Energy Limited (ASX code: OEL) ("Company") wishes to request an extension of the voluntary suspension in its securities and provides the following information in accordance with Listing Rule 17.2.

- The reason for the voluntary suspension is to allow the Company to prepare an announcement for release to the ASX to respond to media speculation concerning exploration activities in Service Contract 55 and obtain clarification from the Operator regarding securing key approvals to commence drilling of the Cinco-1 well
- It is expected that the Company will be able to provide a release to the market by 13 April 2013 to respond to these items
- We expect that the voluntary suspension will be ended by the Company making an announcement of the kind referred to above
